

Schumer Wants Fox to Stop Talking About “Great Replacement”

Senate Democrat Leader Chuck Schumer is pushing Fox News to stop Tucker Carlson from discussing the Democrat plan to import illegal aliens and turn them into Democratic voters to help dispossess the American people.

In a letter to Rupert Murdoch and other Fox worthies, Schumer demanded that Fox “immediately cease” discussing the Great Replacement, which Biden and his Homeland Security Secretary, Alejandro Mayorkas, are aiding and abetting [by refusing](#) to enforce immigration laws.

Indeed, media leftists and top Democrats brag about the [plan to overwhelm](#) the country with Third World immigrants.

[Leftists claim](#) that obsession with the Great Replacement drove the suspect in the mass shooting last week in Buffalo, New York. So any discussion of the openly-backed plan must be verboten.

The Letter

“This pernicious theory, which has no basis in fact,” [Schumer falsely wrote](#), “has been injected into the mainstream thanks in large part to a dangerous level of amplification by your network and its anchors.”

Though the Great Replacement is a “conspiracy theory,” Schumer fretted, “nearly one third of American adults believe that a group of people is trying to replace native-born Americans with immigrants for electoral gains. That same poll found that your viewers are nearly three times more likely to believe in Replacement Theory than other networks.”

Then, of course, Schumer blamed Fox’s Carlson for telling the truth:

A recent *New York Times* investigation found that Tucker Carlson alone amplified this dangerous and unfounded theory in more than 400 episodes of his show.

That second false claim, the Great Replacement is an “unfounded theory,” segued into Schumer’s virtually blaming Carlson for the kooks who commit mass murder:

In 2018, a white man who killed 11 worshipers in a Pittsburgh synagogue blamed Jews for allowing immigrant “invaders” into the United States. In 2019, a white man who expressed anger over “the Hispanic invasion of Texas” killed 23 people at an El Paso Walmart and later told the police he had sought to kill Mexicans. And just days ago in Buffalo, a white man killed 10 people in a supermarket on the city’s predominantly Black east side. In a manifesto posted online, the individual responsible for this heinous murder wrote that the shoppers there came from a culture that sought to “ethnically replace my own people.”

The manifesto did discuss replacement. But murder suspect Payton Gendron [called himself](#) a “leftist authoritarian.”

Schumer refused to appear on Carlson’s show to discuss the Great Replacement.

[.@TuckerCarlson](#) invited me on his show tonight to debate the letter I sent to [@FoxNews](#).

I'm declining. Tucker Carlson needs to stop promoting the racist, dangerous 'Replacement Theory'.

The Great Replacement Is Real; Leftists Say So

Schumer is lying. He knows the plan to replace the American people is real. And he knows it, as [The New American reported](#), because Democrats and their mainstream media information ministry discuss it and predict it. And with no small amount of glee.

We helpfully provided three quotes from Democrats that Carlson curated for his program:

JULIAN CASTRO [when San Antonio mayor in 2008]: “In a couple of presidential cycles, you’ll be on election night, you’ll be announcing that we’re calling the 38 electoral votes of Texas for the Democratic nominee for president. It’s changing. It’s going to become a purple state and then a blue state because of the demographics.”

[Illinois senator] DICK DURBIN: “The demographics of America are not on the side of the Republican Party. The new voters in this country are moving away from them, and instead they’re moving to be independents or even vote on the other side.”

BIDEN: “An unrelenting stream of immigration, nonstop, nonstop. Folks like me, who are Caucasian of European descent for the first time in 2017 will be in an absolute minority in the United States of America, absolute minority. Fewer than 50% of the people in America from then on will be White European stock. That’s not a bad thing. That’s a source of our strength.”

Sen. Dick Durbin: "The demographics of America are not on the side of the Republican Party. The new voters in this country are moving away from them, away from Donald Trump, away from their party creed that they preach." pic.twitter.com/iIPsBKV2of

Evidence abounds that the Great Replacement is the Democratic Party's long-term plan for permanent power. One item: Biden's adamant [refusal to](#) enforce immigration laws.

Last month, in violation of the law, [Biden released](#) half of the 234,000-plus illegals whom border agents encountered in April. Since he took office, he has released almost one million. [Biden also buses](#) and drops illegals — [via secret-dark-of-the-night flights](#) — into unsuspecting communities. [Unindicted visa fraudster](#) Mayorkas [has repeatedly said](#) he will not deport illegals. As well, deportations of illegal-alien criminals [have dropped](#) more than 60 percent.

As for the leftist media pushing replacement, in 2009, [The Atlantic delivered](#) *The End of White America*, which opened, partly, with this synopsis:

If the end of white America is a cultural and demographic inevitability, what will the new mainstream look like — and how will white Americans fit into it?

Biden went to Buffalo today because he thought he could blame his political opponents for what happened there. Which of course is what he promptly did.
