

Deep State and Joe Biden's Most Extensive Voter Fraud Operation

In this episode of Behind The Deep State, host Alex Newman exposes how elements of the Deep State and the Fake News legacy media are ignoring allegations and evidence of potential voter fraud to illegally unseat President Donald Trump and Vice President Mike Pence in order to install globalists Joe Biden and Kamala Harris into the presidency and vice-presidency, respectively. Newman goes through clips from Project Veritas of one USPS whistleblower exposing how mail-in ballots were backdated and put through the express system in Michigan, how the USPS sent extra ballots to wrong or previous addresses in Nevada, and how Republican poll watchers and observers in Detroit were barred from observing the ballot counts. Newman further emphasizes the need to expose these Deep State schemes and to investigate every and all allegations of potential voter fraud.
