How Communist Criminals Hide Behind UN Immunity

In this episode of Behind the Deep State, host Alex Newman exposes the legions of communist criminals hiding behind diplomatic immunity offered by the United Nations. First on the list is Michelle Bachelet, the UN “High Commissioner for Human Rights,” who has now been exposed receiving bribes from OAS. These bribes were not just for corruption, but were part of the Foro de Sao Paulo’s scheme to enslave Latin America under communism and socialism with money looted from taxpayers. Other criminals involved in this network included senior Latin American officials sought or even received UN diplomatic immunity to escape justice. In Europe, former UNESCO boss Irina Bokova, another communist criminal, also used diplomatic immunity to escape prosecutors. It is time for this to stop, Alex argues.
