What Would WWII Do To America? | Behind the Deep State

In this episode of Behind The Deep State,  host Alex Newman exposes one of the Deep State's most important tactics-war and the threat of war. In fact, Alex points out that the globalists themselves have spoken and written openly about how wars help to advance globalism, regional government, and the "New World Order" agenda. With all this current war-mongering surrounding Iran being discussed in the context of World War III, Alex closes by quoting the Founding Fathers on these important issues.
