“Billionaires Club” Runs Green Movement | Behind the Deep State

In this episode of Behind The Deep State, host Alex Newman explains how Congress exposed the fact that a Deep State “Billionaires Club” was secretly bankrolling and directing the “green” so-called “environmentalist” movement. This is not because these Deep State billionaires love the environment, but because they want even more money and even more power. Russian authorities also appear to be involved in this shady network funding anti-American, anti-energy efforts through a shell corporation in Bermuda called Klein, Ltd. Rockefeller, Gates, Soros, and other names keep coming up too. Questions about the legality of all this are growing. It’s time to shine the light on this “Billionaires Club” and its efforts to enslave America.
