BREAKING: Pro-life Activists Rally in Support of Overturning SCOTUS Abortion Ruling

Pro-life activists have rushed to Washington D.C. to show support for ending abortion after reports surfaced Monday that the U.S. Supreme Court plans to overturn a 49-year-old ruling that legalized murder of the unborn.

Politico released a reported draft of the SCOTUS majority opinion in *Dobbs v. Jackson Women's Health Organization*. If the draft is legitimate, it heralds the end of the infamous 1973 *Roe v. Wade* and a related 1992 decision, *Planned Parenthood v. Casey*.

Randall Terry, founder of Operation Rescue, joins The New American from the front lines in the nation's capital to give us an eyewitness account of his experiences so far. He also tells us what's coming in the fight to defend unborn children.
