Britain's David Campbell Bannerman Offers Hope That the New World Order Can be Stopped

The New American's Andrew Muller is on the ground covering the second annual Make Europe Great Again (MEGA) conference in Brussels on January 28-29. In this video, Muller interviews David Campbell Bannerman, who is a former member of the European Parliament and a leader of the successful Brexit (British exit from the EU) movement. Bannerman had just given a speech to the conference warning that the globalists have selected China as the model for their new world order, but he finds in Trump's election hope that the new world order can be derailed.
