In Episode #7 of *Beyond the Cover*, Gary Benoit interviews Rebecca Terrell about how the government and media have lied to us from pandemic day one — about face masks, about lockdowns, and about the vaccines. How do we know they are lying? Telltale signs include the propagandists' conflicting claims — e.g., face masks are ineffective; face masks are essential — and their suspension of commonsense. Terrell's article "COVID Lies" is the cover story in the August 23, 2021 issue of *The New American*. To order the August 23 issue, click [here](#).
