COVID Shots, DNA & Transhumanism, With Dr. Madej

In this presentation with The New American magazine's Alex Newman, Dr. Carrie Madej explains that the elites peddling the COVID shots are also pushing transhumanism... and the two are closely related. Genetic modifications and new technologies are on the verge of changing what it means to be human, and the elites are really pushing the boundaries. Don't miss this critically important presentation by one of the most important doctors speaking out on these issues publicly.
