## Deep State-created Invisible Enemies & Trump Assassination Attempt

In this special episode of Behind The Deep State, The New American magazine Senior Editor Alex Newman pauses from his manufactured enemies series to comment on the assassination attempt made on Donald Trump. An article Newman wrote in 2017 based on an extensive interview with Roger Stone predicted that this would come. And it sure seems like Deep State fingerprints are all over this attempted effort to take out Trump, JFK style. IN the second segment, Alex picks back up on the “manufactured enemies” theme of the series and explores the “Invisible Enemy” created at a CCP lab literally funded by the U.S. government.
