Deep State promoters of transhumanism are totalitarians with an affinity for Communist Chinese tyrant who believe that man is

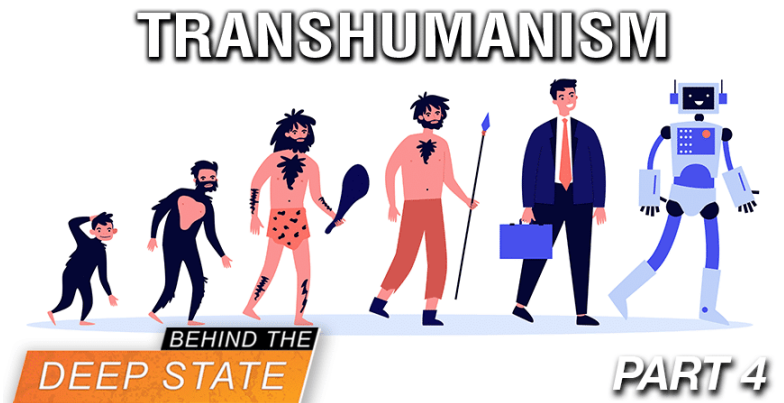

Deep State minions and population-control zealots like Bill Gates their propagandists like Yuval Harari are hoping to re-engineer and “upgrade” human beings—and ensure that there are less of them—as part of their dream of transhumanism, The New American magazine’s Alex Newman warns in Part Four of this series on transhumanism for Behind The Deep State. Injections that insert genetic material into the human body and hijack its cells for various functions appear to be a critical precursor to this madness, as transhumanists themselves admit. Other gene-editing technologies such as CRISPR are being used for these purposes now, albeit at an early level. A Moderna scientist even discusses “hacking the software of life” with these tools.

Already, Deep State media organs admit some of the bizarre creations coming out of this technology including babies made from the genetic material of three parents, super-human soldiers being created by governments, human-animal chimeras such as organisms made from DNA coming from mice and human beings, and much more.
