The powerful and secretive Bilderberg just brought top political, military, Big Tech and corporate leaders in Washington, D.C., for an unusually early meeting to plot the future of humanity, explain two special guests on this episode of Behind The Deep State with The New American magazine's Alex Newman.

According to Daniel Estulin, author of the key book that brought global awareness to Bilderberg, the meeting was focused on finalizing a shift in the world order. From Artificial Intelligence to geopolitics, the key figures who attended are working to bring about monumental changes in the way the world is governed.

Next, Dan Dicks with Press for Truth explains what he saw while in D.C. To cover the meeting. Dicks, who has attended the meetings for years, called on Americans and people everywhere to expose and oppose this shadowy group of self-appointed global rulers before it is too late.
