Artificial Intelligence is increasingly being weaponized against liberty and you, but Christians and those who believe in liberty can and must respond well, explained Watchmen Action founders and AI experts R.C. Williams and Julianna Ormond in this interview on *Behind the Deep State* with *The New American* magazine's Alex Newman.

Unfortunately, a new executive order by Donald Trump is aiming to prevent ANY state-level effort to regulate AI or protect the public. Unless this is stopped, states will not be able to even protect schoolchildren from the worst excesses of AI in the classroom.

Don't miss this important discussion on the future of AI and how Christians and Americans should be thinking about it.
