There is in fact a global network of people working in secret to control the planet, explain The New American Executive editor Gary Benoit and Publisher Steve Bonta in this episode of Behind The Deep State with Alex Newman.

The three senior executives of the best pro-freedom magazine in the country go into great depth about the new special issue, Conspiracy for Global Control. Created to honor the 30th anniversary of a 1996 special issue by the same title, the magazine is a massive weapon of instruction.

The issue covers globalism, secret societies, the battle between good and evil, and much more.
