Supreme Court Case Much Bigger Than “Trans” Children

The landmark case involving Tennessee and other states’ protections for children being targeted by the “transgender” quack medical industry is much bigger than castration and hormones, warns The New American magazine’s Alex Newman in this episode of Behind The Deep State. In fact, the transgender agenda is merely a means to an end: revolution, dismantling the family, legalizing all forms of perversion including pedophilia, and ultimately transcending humanity as part of the “transhuman” agenda. The primary mechanism for promoting this is the so-called “public education” system.
