The very same forces that targeted Donald Trump over demonstrably fraudulent concerns of “collusion” with Russia have been selling America out to the Communist Chinese, explains star journalist Lee Smith in this interview on Behind The Deep State with The New American magazine’s Alex Newman.

Smith, who wrote a best-selling book in 2019 exposing the persecution of Trump, has a new one exposing the establishment that has been betraying the United States and building up Communist China for over 50 years. It is literally the same people and institutions.

After delving into the Russiagate hoax, Smith and Newman discuss how Trump is working hard to end the betrayal and protect America from the CCP. While much has already been accomplished, more work remains, said Smith. Still, he expressed hope that it is not too late.
