Drastic Depopulation Needed, UN Speaker Declares

MADRID — In this interview with The New American magazine's Alex Newman at the United Nations COP25 climate summit, Scientists Warning Executive Director Stuart Scott called for the UN to implement drastic population-control policies. Religions are standing in the way of that, he said. When asked whether Communist China went too far with forced abortions, he did not say. He did call for "family planning" — code words for abortion and contraception — as well as "education" (read: indoctrination) of women. Scott spoke on some of the most prominent stages at the UN climate summit, but said the UN has not taken the issue seriously enough yet.
