Elena Barbera: Exposing Groomers in American Schools

Elena Barbera calls herself an “average American mother,” but when she realized how the trans agenda has taken over America’s schools, she became a filmmaker. Her new documentary, [American Groomer](#), tells the story of how American children are being sexualized in school. In dozens of states it’s now legal to show porn to schoolchildren. The documentary describes how this came to pass and what can be done about it.
