Garrett Ziegler is a former Trump White House staffer who worked for Peter Navarro, and he's written a detailed and explosive report on the contents of Hunter Biden's laptop. Before leaving office, Joe Biden pardoned several members of his family. While the American people dislodged them from power, the Bidens' corruption will have a lasting ripple effect. In this interview, Ziegler, who is being sued by Hunter Biden, exposes the degree of corruption among one of the most unimpressive and depraved first families.
