

French Beheadings: Mass-Migration a Globalist Ploy

In this interview with The New American magazine's Alex Newman, BorderHawk.News editor Dan Lyman explains what is happening on the mass-migration front from Europe to the broader West. They start by talking about the latest news-multiple jihadist attacks in France, including the beheading of a woman at a church. Lyman then gets into the broader agenda behind the globalist elites' engineering of a massive tsunami of Third World immigration into the Western world. The goal is to end nations and freedom while moving toward a tyrannical global system. Europe will be Islamized and European nations could slowly die, but resistance is growing, Lyman explained.
