Germany's Christine Anderson: Make Every Country Great Again!

The New American's Andrew Muller is on the ground covering the second annual Make Europe Great Again (MEGA) conference in Brussels on January 28-29. The anti-globalist confab draws inspiration from the MAGA movement in the United States. In this video, Muller interviews Christine Anderson, a member of the European Parliament from Germany's AfD Party. Anderson observed that "it is every people's right around the world to make their country — their people — great again."
