Wall Street and the Deep State were instrumental in the rise of National Socialism (Nazism) in Germany, and unfortunately for humanity those same forces of tyranny are alive and well today, warns totalitarianism scholar Dr. David Hughes in this interview on Conversations That Matter with The New American magazine's Alex Newman. Various well-known dynasties including the Bush family and the Rockefeller family are implicated, he said. Dr. Hughes, Senior Lecturer in International Relations at the University of Lincoln (UK) and author of the new book *Wall Street, the Nazis, and the Crimes of the Deep State*, pointed to the Covid response and the Great Reset as glaring examples of resurgent totalitarian tendencies. However, humanity can and must stop these forces, he explains.
