With every passing year, we learn more horrific details about J6 supporting the claim that the violence that erupted was plotted by people within the highest level of government. Rep. Clay Higgins (R-La.) and his office have investigated the incident extensively, and he believes the chaos was the result of a 10-month conspiracy designed to destroy the MAGA movement. In this episode, *TNA* senior editor Rebecca Terrell discusses her interview with J6’er Kelly Meggs, whom she visited in federal prison.

Other topics covered:

@ 11:28 | The Deep State — the “government within the government” — had more than 200 FBI assets on the ground on J6;

@ 22:21 | *TNA*’s renowned investigative journalist William F. Jasper discusses how the DOJ is broadening its attack on MAGA Americans;

@ 32:15 | Americans can push back with legal and effective means to ensure that those subverting the United States and conspiring against the American people are brought to justice.
