Since the day it happened, the prevailing mainstream narrative has labeled January 6 a day of violent “insurrection,” the worst attack on American “democracy” since Pearl Harbor. That narrative has been supported by cherry picked footage and complicit Democrats. We look at key clips from Carlson’s footage and provide analysis.

In other segments, we run some of the best interviews New American Senior Editor [Veronika Kyrylenko](#) conducted at [CPAC](#) including with:
