Dumbing Down Your Children | Behind the Deep State

The Deep State is dumbing down your children and they are getting dumber at a faster rate than ever before thanks to the government public school system. According to the U.S. Department of Education's most recent National Assessment of Educational Progress (NAEP), over two-thirds of 8th graders are not proficient in any of the core subjects (math, reading, writing, science, and history). The situation for high school seniors is even worse, as only one-fourth of high school seniors are proficient in math and one-third are proficient in reading according to the NAEP. For the sake of our children's education and future success, it's time to get them out of the public schools. More episodes on solutions coming soon!
