

Marxianity: Corruption of the Church by Radical Left

In this interview with The New American magazine's Senior Editor Alex Newman, author and prominent radio host Brannon Howse calls out various evils and lies that are corrupting churches across the nation. These include "social justice," "white privilege," socialism, communism, LGBTism, anti-Americanism, and more. Howse, who has been sounding the alarm for decades, blames some of the biggest names in evangelicalism for either helping or tolerating this subversion of U.S. churches. The church must fight back, he said, pointing to churches in Germany that went along with Adolf Hitler's National Socialist evil.
