The New American's Christian Gomez sits down with Wisconsin state representatives Dave Murphy (R-Greenville) and Ty Bodden (R-Hilbert) to discuss what is happening in the Wisconsin State Legislature and what Republicans can accomplish despite having a Democrat governor and new left-wing majority state supreme court.

Representatives Murphy and Bodden discuss the importance of prohibiting businesses from refusing to accept cash as legal tender, passing tax cuts, protecting free speech on the college campuses, and stopping gain-of-function research in Wisconsin.
