Pastor Stephen Broden: Rescuing Blacks from Democrat Party Oppression

Pastor [Stephen Broden](#) could be our next vice president; he is running mate to Randall Terry on the Constitution Party ticket this November. A familiar face in conservatives circles, he frequently speaks at events such as Tea Party rallies and pro-life gatherings, and has appeared on shows like Fox & Friends, Glenn Beck, and Mike Huckabee. He is the founder and senior pastor of Fair Park Bible Fellowship in Dallas, Texas, where he advocates for economic opportunity, quality education and respect for life. And he is a long-time member of The John Birch Society and occasional contributor to The New American magazine.

He meets with [The New American](#) senior editor [Rebecca Terrell](#) to discuss his vice-presidential campaign, the main objectives of which are to save innocent unborn babies from the culture of death promoted largely by the Democrat Party.

You can visit his campaign website at Terry2024.com and watch their jaw-dropping pro-life campaign ads [here](#).
