The Inflation Reduction Act was really a green energy-subsidizing scam, with zero measures designed to actually reduce the rise in prices. "Gender affirming care" is actually non-affirming mutilation. January 6 was not an insurrection, but likely an intel-coordinated operation and part of the larger conspiratorial coup against America. These are just a few examples of the Deep State's lying language. In this episode, Paul Dragu, Steve Bonta, and Joe Wolverton II discuss such propaganda, the reason for it, and how to recognize and neutralize it.
