They Really Do Want to Take Your Guns

As horrific mass shootings continue to ravage our nation, lawmakers on the Left continue to insist the problem is firearms and the answer is infringing on your right to one. In this episode, Paul talks with Zoe Warren, host of 2A for Today and a candidate for lieutenant governor of South Carolina. They discuss the falsehoods about guns being touted by legacy media, the Left's real intention of completely abolishing the Second Amendment, what's really causing gun violence, and what communities can do to protect themselves against mass shootings.
