When a Secret Service agent wanted to “visit” a citizen in Coryell County, Texas, about some comments made on social media regarding Joe Biden and Nancy Pelosi, Sheriff Scott Williams made sure to send one of his deputies with the agent. In this interview with The New American magazine’s Alex Newman from FreedomFest, Sheriff Williams recounts the story. He also explains that all sheriffs everywhere must ensure that their top priority is protecting the rights of citizens from ANYONE who would infringe on those rights. Indeed, they have a duty before God to do so. Williams, who participated in a panel at the event by the Constitutional Sheriffs and Peace Officers Association, said sheriffs are the last line of defense for Americans and freedom. “It is my sole purpose in life to stand in the gap for my citizens,” he added, calling on all lawmen everywhere to protect the rights of Americans.
