Texas Governor Gregg Abbott recently said that Texas has solved its border crisis. But the border is broken elsewhere. And the U.S. government still has to do its part, he warned.

Meanwhile, the California Senate just approved a measure that will further incentivize illegals to cross over.

Also in this episode:

The World Health Organization is rolling out a global vaccination scheme disguised as an effort to stop the spread of monkeypox;

The carbon capture scheme has just incurred a major blow.

And The John Birch Society will be coming out with a new documentary titled Unearthing the CO2 Pipeline.
