Propaganda Media Go After J.D. Vance

Mainstream media have targeted Donald Trump's running mate with intense and over-the-top propaganda, indicating J.D. Vance may truly be a threat to the Establishment. A few years ago, Vance gave a speech during which he said the Matrix is real; it's simply the lies and propaganda elites create and broadcast as truth in order to manipulate people. Vance has also blasted neocon foreign policy as "strategically and morally stupid."

Also in this episode:

The Olympics' opening ceremony in France was a display of Western depravity and reminder of why the West is no longer as free as it once was.

Roger Stone predicted an assassination attempt on Trump years ago.
