“You Will Own Nothing” By 2030

In this episode of Behind The Deep State, host Alex Newman explains that the globalists pushing the “Great Reset” intend to turn you into a serf with no private property and no privacy. In fact, the World Economic Forum has been making this explicit in its videos and articles, which openly promise that by 2030, “you’ll own nothing.” This is the New World Order agenda. The United Nations, the IMF, and many key Deep State organizations are involved as they push for Agenda 2030.
