Patriot and Radio Host Bill Martinez invited Zoe to chat about the current events and the imminent threats that are a consequence. From known Foreign terrorists coming through our porous border and American leftists rallying behind Hamas to militant Islamic training camps, the dangers posed by these existential threats to our way of life and our vulnerable citizens could not be more obvious. Our electeds, in both blue and red, are either compromised, or complicit.

Bill and Zoe talk through these challenging subjects and touch on some solutions in today's episode of 2A For Today!
