

UK Insanity Coming to US Soon

In this interview with The New American's Alex Newman, British film producer Mark Sutherland gives an update on Brexit and warns about what is happening in the United Kingdom. He says the European Union has been "destroyed" by Coronavirus. Sutherland also points out that despite the government being led by the "Conservative" Party, Britain is moving further and further in the direction of the totalitarian left, where even the most basic rights such as free speech are under threat. Beware, because this insanity is coming to America soon!
