

How US Foreign Policy Fuels Persecution of Christians

In this interview with The New American magazine's Senior Editor Alex Newman, missionary extraordinaire Dr. Peter Hammond of Frontline Fellowship explains how U.S. foreign policy has fueled so much persecution of Christians across Africa and the world. It has fueled the growth of communism worldwide, too, he said. Hammond also talks about the escalating tyranny of communist forces of South Africa. And as Christians, he says it is imperative to resist Marxism, Islamism, and other forms of unbiblical tyranny. Also interesting is Dr. Hammond's insight into how the Trump administration was able to secure enormous positive changes in Sudan.
